Published by Authority.

From Tuesday November 30. to Saturday December 4. 1742.

Hague, December 11, N. S.

THE States of the Province of Holland have this Day resumed their Assembly, which they left on Saturday last. They are returned with the Approbation of their Towns as to their Denial of admitting the Prince of Orange Frize into the Council of State, and very probably there will be no further Steps taken therein at present. Yesterday the Council of State presented the general Petition for the Expences of next Year to the States General, to be sent to the respective Provinces for their Content. The Establishment is the same as last Year, and it is believed will receive no Contradiction, though some in the Assembly of Holland had proposed to reduce the Number of Troops. The Prince of Orange designs to leave this Place on the 20th Instant, after he has settled his particular Affairs with the Council of his Domains, relating to that Part of the Succession of the late King William he is possessed of.

His Majesty has likewise been pleased to issue his Letter Mandatory to the Dean and Chapter of the Cathedral Church of St. Paul, London, for their electing and admitting George Lavington, Batchelor of Law, and one of his Majesty's Chaplains in Ordinary, into the Place of Canon Residentiary of the said Church, vacant by the Death of Dr. William Stanley.

The Court of Directors of the Governour and Company of the Bank of England, give Notice, That a General Court will be held at the Bank on Thursday next, the 9th Instant, at Eleven in the Forenoon, being one of the Quarterly General Courts appointed by their Charter.

Welch Copper Office, Philpot-Lane, Dec. 1, 1742.

This is to give Notice, That a General Court of the Deputy Governour and Company of Copper Miners in the Principality of Wales, will be held at their Office aforesaid, on Wednesday the 15th Instant, between the Hours of Eleven and One a-Clock, in order to elect a Governour for the remaining Part of the Year, to fill up the present Vacancy of a Governour; for which Purpose, the Transfer-Book of the said Company will be shut from Wednesday the 8th, to Wednesday the 22d of this Instant.

Charitable Corporation House on Lawrence-Pountney Hill, London.

Whereas great Quantities of Goods and Effects belonging to this Corporation have been secreted and embezzled by their late Warehouse-keeper John Thomson, who is since fled; and whereas there is great Reason to believe that the said Thomson has several Estates, Mortgages and Effects lying in many Parts of South and North Britain, and also many Effects of considerable Value in the Hands of his Correspondents in Foreign Countries, as at Alicant, Cadiz, Lisbon, Petersbourg, &c. Now this is to acquaint the Publick, that whoever (either at Home or Abroad) will make Discovery to the said Corporation of such Effects or Estates belonging to the said Thomson, so as they shall be retovered to the Use of the said Corporation, shall receive at the Rate of Ten Pounds per Cent. upon all Estates and Effects recovered by Means of such Discovery; to be paid by the Cashier, at their House on Lawrence Pountney Hill, London.

By Order of the Committee,

John Venables, *Secr.*
